Huronian Alarm & Fire Security Inc.

Volume 8

Fall/Winter2003

Merry Christmas & Happy New Year from all the staff

Happy Retirement to Don Bryant.

Don founded the company in 1972 and was the principle owner until 1989. Don recognized the importance of customer service and our whole company philosophy is based on this.

Thank you Don, and enjoy your well deserved rest!!

Huronian Contributes

The new North Simcoe Rec. Centre will service all our clients in the Midland area.

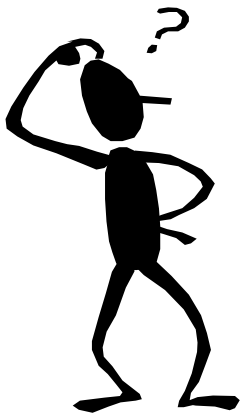

Huronian Alarm & Fire Security has donated \$2,500 to assist in this worthy project.

Keypad Emergency Buttons

Most alarm systems have 2 or 3 “fire/panic” buttons on the keypad. These buttons are for emergency response. To activate you must press and hold these buttons for 3 seconds or until the keypad beeps.

The middle button is optional and is for medical alert purposes.

Lost your user manual? No problem.

Just go to our website at www.huroniaalarms.com click on “**links**” and select “**DSC user manuals**”.

Not sure of the type of alarm you have, just email us at kellyj@huroniaalarms.com and we can email it back to you.

Client Verification Forms?

Many false dispatches and other problems occur when the information we have in your alarm database is incorrect or out of date. If any of your information changes please advise us as soon as possible. If you are not sure if your information is current please contact our customer service department and a "Client Verification Form" can be sent to you. This form has all your current key holders and address information. If it is correct you can sign it and send it back to us, or make the necessary corrections and then send it back.

MOVING?

Take advantage of our fantastic client referral program. Give the new owners of your home peace of mind with the value added service you relied on. And, help yourself by getting 3 months free monitoring on your new home system.
