

Huronia

Wishing you a very happy Thanksgiving, from all of us at Huronia Alarm & Fire Security Inc.

HURONIA LOCK, KEY & SAFE DIVISION - NOW AT 284 PRETTY RIVER PARKWAY

Huronia now offers locksmithing services for residential, commercial, industrial and property management customers at our Collingwood office - [284 Pretty River Parkway](#).

Services include:

- Key cutting for most makes and models of cars, trucks and SUV's
- Locks repaired and rekeyed
- Master key systems
- High security locks
- Automatic door openers
- Door hardware
- Safes - sales & service

As well as a wide range of laser engraving services for items like trophies, medals, plaques and promotional items.

We are open Monday-Friday 9am-5pm.

And we also offer 24 hour emergency locksmith service, 7 days a week - just call 705-445-5318.

YOU HELPED "6 HOURS OF GIBRALTAR" RAISE \$58,792 FOR MY FRIEND'S HOUSE!

We were proud to part of the "[6 Hours of Gibraltar](#)" organizing team who recently presented a cheque for \$58,792 to [My Friend's House](#). The 6 Hours of Gibraltar mountain bike event was held on July 5, 2014, and the event welcomed 112 people ranging in age from 8 to 72, to a private mountain bike course in Gibraltar, Ontario. The day of fun helped raise much needed funds and awareness for [My Friend's House](#), a women's shelter and counselling

agency serving the Georgian Triangle.

We would like to thank all those who were on the [The Huronia Rockets](#) race team, and those who supported them with their financial donations and well wishes. We couldn't have done it without you.

The Huronia Rockets on race day! Left to right: Rob Thorburn Jr., Billy Thorburn, Chris Johnson & Rob Dozzi.

Take a look at the video of the cheque presentation below, and the [official press release](#) from [My Friend's House](#). Most importantly, make a note in your calendars - **July 11, 2015** - when "[6 Hours of Gibraltar](#)" will be back ... bigger and better than before!

\$58,792.00 For My Friends House From 6 Hours of Gibraltar

MEET HURONIA'S NEWEST TECHNICIAN

We'd like to introduce Raymond Mussnug. Huronia's new Technician.

Raymond has over 20 years of in-field experience, across North America, installing, testing, maintaining and repairing burglar alarms, fire control panels and low-voltage components for everything from satellite systems to home theatres to CCTV systems for residential and commercial clients.

Join us in welcoming Raymond to the Team.
