

Huronia

OUR AUDIO VIDEO TEAM IS GROWING!

Please join us in welcoming Miles Green to the **Audio Video** team.

Miles has a diverse background in **home security, lighting control** and **whole-home automation** product installation, programming and servicing. Miles is also a certified gas fitter.

The addition of Miles to the Collingwood office will help meet the growing demand for audio, video and home theatre products and installations in the area - for new home builds, home renovations and updates.

SUPPORTING AFFORDABLE HOUSING FOR SENIORS IN PENETANGUISHENE

Huronia is a proud supporter of the **Wendat Community Programs** that support senior care and care for adults with mental health needs.

We recently made a **\$1,500 donation in-kind** towards the sponsorship of a new senior's residence in Penetanguishene.

The residence provides 23 rooms, recreation and food service facilities for qualifying seniors who cannot afford traditional retirement residences.

HURONIA HELPS CATS & DOGS FIND FOREVER HOMES

Huronia has been long-term supporters of the **Georgian Triangle Humane Society**. And this year is no different! We are thrilled to be the **Adoption Sponsor for the GTHS for 2016/2017**. Last year our sponsorship dollars helped over 1000 homeless cats and dogs find their forever homes.

Rob Dozzi, VP Finance at Huronia Alarm & Fire Security Inc. presents a \$1,500 cheque to Sonya Reichel, Executive Director with the Georgian Triangle Humane Society.
