

# Huronia

## HELP US EMPOWER WOMEN & CHILDREN

Kevin and I are proud to be part of a company that is as [community minded](#) as Huronia. So many of our staff are involved in charitable fundraising activities in the communities that we serve. And corporately, we support a number of organizations through direct sponsorship, donations-in-kind and service assistance.

Close to both of our hearts is the need to empower women and children, by supporting

local women's shelters in [Collingwood](#) and [Midland](#).

Each year, [My Friend's House](#) in Collingwood provides emergency shelter and counselling services to more than 600 women and their children, who look to the shelter to help them escape violence at home. [My Friend's House](#) also responds to over 1,500 crisis calls each year.

Despite being an essential service, [My Friend's House](#) has to raise over \$200,000 each year just to meet basic needs. [I ask you to join me in helping them reach this goal.](#)

On July 9th, I am embarking on one of our most ambitious fundraising activities to date. For the fourth year running, Huronia and the leadership team at [6 Hours of Gibraltar](#) are working together to help [My Friend's House](#) reach their core operating budget through this one-day mountain biking relay event. [Click here to read the full story ...](#)

On June 25th, Kevin will be "[Walking a Mile in Her Shoes](#)" as part of the [Midland Y's Men's Club](#) to raise money for Midland's own women's shelter, [Huronion Transition Homes](#). If you want to watch Kevin walk in high heels, [you will need to sponsor him!](#) Just select "walk a mile" on the right hand side of the box that says "general" and type Kevin Leonard's name under "message for Huronia Transition Homes". All donations over \$20 will receive a tax receipt.

Kevin and I want to thank you in advance for your generosity.  
Rob Thorburn Jr., Executive Vice President
