HURONIA ALARM & FIRE SECURITY INC. ACQUIRES PEERLESS SECURITY & MUSKOKA FIRE PROTECTION SERVICES LIMITED IN UTTERSON, ONTARIO.

We are pleased to officially announce to all of our Customers and Strategic Partners, that we have acquired Peerless Security & Muskoka Fire Protection Services Limited. They are the leading security, monitoring, fire installation, and service provider in the Muskoka, Parry Sound and Haliburton regions.

As part of our Strategic Plan for continued growth, we fostered a relationship with Peerless Security & Muskoka Fire Protection Services Limited to solidify our presence in the Muskoka, Parry Sound and Haliburton markets. This acquisition will propel the growth of our product and service offerings in this region.

It is our intention to take the requisite amount of time to fully evaluate and assess the intricacies of their unique market and current product and service offerings as we integrate their employees and Customers into the Huronia family and brand. Our combined operations will provide a wider array of products and services to all our Customers. And we also anticipate greater efficiencies that will result in an enhanced Customer experience.
