NOVEMBER IS COMMUNITY SAFETY & CRIME PREVENTION MONTH

The [Canadian Safety Council](#) has declared November [national community safety and crime prevention month](#). As your security, life and fire safety community partner, our goal is to help bring awareness to safety topics that affect the communities that we serve. Please help us spread the word about [National Senior Safety Week](#) and [National Home Fire Safety Week](#) by sharing the following information to your family and friends.

National Senior Safety Week runs from November 6th-12th and Huronia is proud to provide medical alerts and personal emergency alarm systems that offer peace of mind for seniors, their care-givers and family members. These lifestyle products enable seniors to remain in their homes longer, offering a more affordable alternative to assisted living. [Click here to download our Wellness & Medial Alert Solutions brochure](#). And [click here](#) to learn more about the kinds of 24/7 monitored medical alert and life safety products and services that we provide including:

- lightweight, waterproof pendants that can be worn around the neck, on the wrist or even on a belt; all day, and every day
- more advanced kinds of monitoring devices that learn family member's routines and send alerts to mobile devices if there is a change in their patterns

If you would like to discuss life safety and monitoring solutions for a member of your family, [please contact us](#). For additional information about National Senior Safety Week, [please click here](#).

National Home Fire Safety Week returns for another year, running from November 24th-30th. We encourage all our customers to educate themselves about fire safety for their apartments, condominiums, detached homes and cottages. It is imperative that you have functioning smoke detectors, fire extinguishers and current fire escape plans.

- Please test your smoke alarms to be sure they are working and install new batteries every year or more frequently as required.
- We recommend installing smoke alarms with a 10 year battery life.
- Consider installing a monitored smoke alarm that will automatically transmit a fire condition from your home to our [24 hour ULC Listed monitoring station](#).
- Make sure everyone in the home knows the sound of the smoke alarm.
- And ensure that everyone (including overnight house guests) know how to get out of your home in case of a fire. [Click here for more information about developing a home fire escape plan](#).

Huronia has a full line of fire protection and suppression products that provide proactive solutions to help protect your family and possessions. If you would like more information about our fire safety products, including [carbon monoxide alarms](#), and monitored services, [please contact us](#). And for more information about National Home Fire Safety Week along with helpful tips to keep your family safe from fire, [please click here](#).

ENTER TO WIN YOUR OWN FIRE SAFETY KIT!

In the spirit of supporting [National Home Fire Safety Week](#), we are giving away THREE Huronia Fire Safety Kits* to THREE lucky enewsletter recipients! [Simply "click here" to send us your entry email and you will be eligible to win](#). Draw will take place during [National Home Fire Safety Week](#). The winners will be contacted by email. Good luck!

*Our Fire Safety Kit is valued at over \$100 and includes a fire extinguisher, sturdy duffel bag, medical kit and emergency blanket. Prize may not be substituted or converted to cash. Prize may be collected at our Collingwood, Midland or Muskoka office locations during regular hours of operation.

**GEORGIAN BAY GENERAL HOSPITAL'S GRAND OPENING
FINAL PHASE OF THE EMERGENCY DEPARTMENT RETROFIT**

Kevin Leonard, Chief Operating Officer, Huronia Alarm & Fire Security Inc. outside the new emergency department.

The Georgian Bay General Hospital's (GBGH) recently held their grand opening of the final phase of the emergency department's retrofit.

In 2013, Huronia Alarm & Fire Security Inc. donated \$25,000 (a 5-year commitment) to put toward the construction of the new security room in the new emergency department. And recently, the commemorative plaque outside the emergency department was installed.

Huronia continues to support the GBGH with ongoing sponsorships at golf tournaments and 24/7 security monitoring through their ULC listed, five diamond monitoring station in Midland.

Kevin Leonard, Huronia's Chief Operating Officer, has been a longtime personal supporter of the GBGH as well, and was involved in raising over \$100k for the Gord Leonard Quiet Room, for families dealing with crisis and needing a quiet space for contemplation and stillness.

HURONIA OUT AND ABOUT IN OUR COMMUNITY!

It's been another busy month for the employees at Huronia!

Roger Gallant, Service Technician from Huronia Alarm & Fire Security Inc. showing his support in the fight to end violence against women.

WALKING A MILE ...

Roger Gallant has been a long-time supporter and fundraiser for **My Friend's House**, a safe haven for women and their children looking to escape abuse and domestic violence.

This year, **Roger raised an impressive \$1,237 dollars** as part of his participation in the "**Walk a Mile in Her Shoes**" event in Collingwood.

Please join us in congratulating Roger for his amazing fundraising ... and for being able to walk a mile in red high heels!

GEORGIAN TRIANGLE HUMANE SOCIETY 6th ANNUAL FRIENDS FOR LIFE WALKATHON

It was a beautiful sunny day for the **6th annual Georgian Triangle Humane Society 3k and 5k Friends for Life Walkathon** held at the Village at Blue Mountain.

We were thrilled to be part of this fundraising initiative!

Huronia Alarm & Fire Security Inc. was a PAW Sponsor for this event, which **helped raise over \$50,000** for animals in need in our community! **[Click here for all the details about the event.](#)**

Rob Dozzi & Jaclyn Jones from Huronia Alarm & Fire Security Inc. surrounded by furry walkathon participants!

Top from left to right: Jack Duffy - Board Chair, Collingwood General and Marine Hospital Foundation, Rob Dozzi, VP Finance of Huronia Alarm & Fire Security Inc., and Jory Pritchard-Kerr, Executive Director, Collingwood General and Marine Hospital Foundation.

COLLINGWOOD GENERAL AND MARINE HOSPITAL FOUNDATION

Huronia Alarm & Fire Security Inc. has committed \$30,000 (\$10,000 each year for the next three years) to the [Collingwood General and Marine Hospital Foundation](#).

And as part of our sponsorship, we were able to be on-site for the foundation's first ever [Everest Challenge](#)!

It was a chilly day for the over 600 participants who dared to take on the challenge of climbing 29,092 feet (that's 40 ascents up Blue Mountain!), the height of Mount Everest. Well done to everyone who participated (especially the teams of two who made their ascent TWENTY TIMES!)

The challenge and community partner sponsorships grossed \$350,000 for the foundation!

For more information about the [Collingwood General and Marine Hospital Foundation](#) please [click here](#).

The Muskoka Office organized a tour of the high seas in Gravenhurst for a Family Day Outing!
