## SONOS - SOUND ANYWHERE. MOVE IS HERE.

Sonos proudly introduces Move ... a durable, battery-powered smart speaker for indoor and outdoor listening. Move is drop-resistant and weatherproof. Move stands up to humidity, rain, snow, dust, salt spray, UV ray, and extreme hot and cold. You can also stream over WiFi and connect Move to the rest of your SONOS system at home, and then switch to Bluetooth when you're away and offline. Best of all, you will experience deep bass, a wide soundscape and automatic Trueplay™ tuning that perfectly balances the sound for where you are and what you're listening to. And since there's no need to plug Move into an outlet, you can just set the speaker on the indoor charging base for quick power while you listen.

Sonos Move

Sonos offers brilliant sound, easy set-up and even easier methods to control your music using voice, phone, tablet or even your finger. Customize your system and play what you want, where you want. Other Sonos products that are also hitting the shelves this month are:

- Port - unlock the possibilities of your sound system with this versatile streaming component for stereos and receivers
- One SL - a speaker for stereo pairing and home theatre surround sound

## NEWS RELEASE FROM THE OPP - OPP INVESTIGATE BREAK AND ENTERS IN PENETANGUISHENE AND REMIND PROPERTY OWNERS TO PARTICIPATE IN LOCK IT OR LOSE IT

Members of the Southern Georgian Bay Detachment of the Ontario Provincial Police (OPP) were dispatched to two break and enter occurrences from mid-July to mid-August 2019 on Levi Simon Trail Penetanguishene. The OPP would like to take this opportunity to remind property owners to practice "Lock It or Lose It" as an effective way to help prevent residential type thefts. Break ins can be prevented by locking your home and utilizing better lighting where the vehicles are parked and exterior doorways. The following Safe Guard Ontario Links provide some helpful tips for property owners so they may better protect their property from thieves.

Each year, OPP officers investigate numerous reports of break and enter to area homes and are often successful in the apprehension of the offenders responsible. Much of this success is dependent on the eyes and ears of area residents and here are some tips that can assist community involvement in the detection, prevention and conviction of offenders. If you have any information on these or other property crimes please contact the OPP at 1-888-310-1122 or Crime Stoppers at 1-800-222-TIPS (8477).

## FIRE PREVENTION WEEK: OCTOBER 6-12, 2019

This year's fire prevention week theme is "Not Every Hero Wears a Cape". The Office of the Fire Marshall and emergency Management are encouraging all homeowners to plan ahead, prepare, and practice a home escape plan. A fast pre-planned escape is critical to surviving a house fire. [Click here for tips on developing a home fire escape plan](#). Also be sure to install and maintain smoke alarms on each level of your home, and outside all sleeping areas. **FIRE PREVENTION WEEK™ | OCTOBER 6-12, 2019**

**BE A HERO IN YOUR HOME!**

**PLAN AND PRACTICE YOUR ESCAPE.**

- 1 Practice a **home escape plan** so everyone in your home knows exactly what to do if the smoke alarms sound in an emergency.
- 2 **Install smoke alarms** on every storey of your home and outside all sleeping areas.
- 3 Test smoke alarms **every month**.

**For more information contact your local fire department.**

The poster features a blue background with a white grid pattern. It includes an illustration of a hand-drawn floor plan with a red escape route, a white smoke alarm, and a fire department logo. The text is in bold, sans-serif fonts.

We would also like to take this opportunity to remind our commercial clients that their staff needs to be fully trained on the fire safety plan and operation of their fire panel, especially those responsible for the property after hours. Huronia provides on-site training for commercial clients on the operation of their fire systems. This investment could save your company an emergency service call after hours that can cost hundreds of dollars. ## PLEASE JOIN US IN CONGRATULATING AND WELCOMING ...

Please join us in congratulating Trish Fleming on being promoted to Supervisor, Customer Service. Since 2006, Trish has been part of the Huronia Team. During her time at Huronia, she has continually exemplified the qualities that we value at Huronia; teamwork, dedication, and integrity. Trish's positive attitude, ability to relate to others and her pleasant personality make her the ideal person to oversee our Customer Service Department. Congratulations Trish, on a well-deserved promotion!

We are also pleased to welcome Beverley Tyler, who is our new Payroll Administrator. Beverley will be working out of our Collingwood office.

As Huronia continues to grow, we are always looking for talented individuals to join our team. From security and life safety technicians, to installers, sales, finance and administrative personnel, if you know of someone who is looking for an opportunity with a family owned and operated business that is dedicated to Customer satisfaction, please contact us. [Please also visit our Careers page for some of the latest opportunities available at Huronia](#).

## HURONIA OUT AND ABOUT IN THE COMMUNITY

We had two big winners at the Tim Horton's Charity Golf day at the Georgian Bay Club. Rob Dozzi won closet to the hole for the men, and Ally Wiles won the long drive contest for the ladies. Congrats to you both, and more importantly, congrats on supporting this great cause, where all proceeds from the event that raised \$25,000, went to the Hospice Georgian Triangle.
